Casting boiler—substitute for "massage" and preserved meat making (not put) made of wood pulp or other such materials of special preparation	P.	Cliths like rods, metal ones	P.
Castings, iron—brass	P.	Clith netting, Japanese, made of raw silk	N.P.
Castings, iron lined with carbonaceous	N.P.	Clithing, ready-made rails	P.
Castons, decorative and truck	P.	Clith type, galvanised	N.P.
Castons, plated (for drawers)	P.	Clith, woven galvanised iron wire	G.L.
Castors, tin (used in the manufacture of radiator boiler castings)	P.	Cluth screws or bolt-headed screws	P.
Catgut, thread, rough unfinished (for covering whip handles)	G.L.	Cutter slides (for grates)	P.
Cattle daharone	N.P.	Cotton pressing machines	N.P.
Cattle leather (small steel thimble for use in binding cables)	P.	Cotton, wood pear vessels (for alcohol accessories)	P.
Cauling cotton	N.P.	Cotton making machines	P.
Cauling potash	N.P.	Cotton percolators (for hollow ware)	P.
Cauling shanks, channelled iron	P.	Cotton rollers, metal (for twine)	P.
Cavary soap	N.P.	Cottons like cap, metal	P.
Cauling wire or rods	N.P.	Cottons like tubes, tin	P.
Cement (this item covers cement for building and engineering purposes)	P.	Configuration reforming iron	P.
		Couch machine (for retails)	N.P.
		Covered soap	N.P.
		Covering mats	P.
		Copper sheets (used in manufacturing radiator boiler sections)	P.
		Copper pot screws, consisting of fabric made by a strand of copper twisted round jute thread which is then woven in with the cotton	N.P.
		Copper test clips (for use in testing electrical instruments)	P.
		Cork pulleys	P.

Broom brooms and brushes, i.e., sweeping brooms made from broom cuts	P.	Double sewing machines. (See the similar machines.)	
Brush electric machines	N.P.	Drawing pins	P.
Cotton and fibre tape packing	P.	Brown threaded work	P.
Cotton banded bags	P.	Brown shanks	N.P.
Cotton bus binding (for use on rubber and canvas shoes)	P.	"Bursat" cotton woven conduit, i.e., for protection of electric wires	P.
Cotton broads, purms (cotton manufacturers)	P.	Darning map, woolen, hand	P.
Cotton narrow edging	P.	Driver, cotton shoebrush	P.
Cotton cracking	N.P.	Dutch tonic foot, known as "Bourgeois" (substitute for "Bourgeois")	N.P.
Cotton creps	P.	Embossers, tin	P.
Cotton dais for belting, weighing 18 oz. and upwards per square yard	G.L.	Electric fork separator (for use in connection with electric train lighting)	N.P.
Cotton "Bursat" cotton woven conduit, i.e., for protection of electric wires	P.	Egg beater	P.
Cotton fabric, rubber lined	P.	Elastic (of rubber and silk)	N.P.
Cotton flake webbing	P.	Elastic of rubber and cotton (if cotton exceeds 50 per cent. of total weight)	P.
Cotton manufacturers such as school articles, rasp cases, auto cases, falling and cover and tennis racket cases	P.	Electric surgical trays	N.P.
Cotton waste	N.P.	Electrical accessories and appliances, as follows—	
Cosmetics, automatic	N.P.	Air compressors, electric	N.P.
Cranberry sauce	P.	Air pumps, electric	N.P.
Cranes, portable (machines)	N.P.	Battery or complete battery cell	N.P.
Crack cloth for pipes	P.	Bayonet adapters—consisting of loose flange mounted on wood	P.
Crack, Brazil	N.P.	Bells and buttons (for use on telephones)	G.L.
Crayons	N.P.	Bells (for other purposes)	P.
Crayons, marking table (for marking lines and sheet)	N.P.	Brass lamp holders	G.L.
Crossed armatures	N.P.	Fine and parts thereof	P.
Crope cotton	P.	Fishing connector (brass flange as orthopaedic base)	P.
Croquet	N.P.	Flit iron (as laundry iron)	P.
Crushed glassed quartz	P.	Hand lamps and lanterns	G.L.
Curling irons for waving hair	P.	Heating grill	P.
Currents. The term "currents" applies to all currents, i.e., black currents, red currents, extruded pulp etc.	N.P.	Heater or radiator, portable	P.
Curtain rods, metal	P.	Heated shaving pot (as Holbein)	P.
Curtains, for coal and lead, i.e., cord curtains and lead gutters	G.L.	Heated tea pot (as Holbein)	P.
Cutlery, glass	G.L.	Hot plate	P.
Cyclometers	P.	Instrument: counter (ratchet gear)	N.P.
Dates from Bursat and Mohammed	G.L.	Insulators made from wire and asbestos with steel centres or malleable iron	N.P.
Dating and numbering machines and parts thereof	N.P.	Key holder (brass flange with small orthopaedic base)	P.
Deers with plunges (plowman's tool)	G.L.	Lighting accessories, portable, with an brass flange	P.
Deils, bottles and bands (plains) (of non-prohibited woods)	N.P.	Metallic filament, bolts for electric portable lamps	N.P.
Dental accessories, i.e.,—Absorbent cotton, wool, bolls (small, leather, driving for dental foot and electric engine), cabinets, dental pump chairs, dental cement, forceps, leather bellows, leucets, pluggers, probes, pliers small bolls, brushes, small leather bolls, splines, tooth polishing brushes, tooth brushes (mechanical), tweezers	G.L.	Motors for sewing machines	N.P.
Dialing machines, parts and accessories	G.L.	Motors for vacuum cleaners	N.P.
Dies and die stocks	G.L.	Plugs, bush, consisting of brass flange mounted on orthopaedic base	P.
Dies, metal, for centre of rubbers	G.L.	Plugs, well, consisting of brass flange mounted on orthopaedic base	P.
Dolls	P.	Pocket lamps	N.P.
Dow bells	P.	Pocket lamp cases fitted with iron	N.P.
Double papered canvas lamp	N.P.	Stamps (as slates and rings)	P.
		Switches	P.
		Telephones and parts. (See telephones)	
		Transfer for table use	P.
		Tramway signals	N.P.

Transformer machines,—viz.— paper spinning machines (for insulating the conductors sur- rounding the transformer coils)	N.P.
White enamelled pear park (consisting of turned wood with brass and lacca mountings)	P.
Walnut enamelled pear park (consisting of turned wood with brass and lacca mount- ings)	P.
White enamelled pear switch (consisting of brass filament mounted on earthenware and wood base)	P.
Green wood pear switch (consist- ing of brass filament mounted on earthenware and wood base)	P.
White enamelled wall park (consisting of turned wood with metal mountings)	P.
Writing tablets (consisting of brass and porcelain)	P.
Eraser chairs	P.
Embroidery	N.P.
Embroidery machines	N.P.
Electric desk lamps	G.L.
"Energys" Dutch table food (sub- stitute for "Sarsaparilla")	N.P.
Emery boards (for abrading hard skin and corals)	N.P.
Emery wheel discours and covers (used for turning up emery wheels)	N.P.
Empties, returned	G.L.
Enamelled iron ceiling shades	P.
Enamelled iron reflectors (electric light)	P.
Enamelled tea spoons (if closed as glass)	N.P.
Envelope machinery, steel	P.
Envelope making machines	N.P.
Enamels of pearls (as strong waters)	P.
Exaggerated horse radish	P.
Extinct, Blacklock	N.P.
Explosives and pyrotechnic cases, metal covered with imitation leather and lined with velvet, etc.	P.
Eye guards, engineers' (consisting of wire gauze faced with glass encased in sheet iron frame, for use on lathes, milling and grinding ma- chines)	P.
Eye shades (glass)	N.P.
Falschold (bush)—cotton known as sheathing, drill, duck and cotton, coated with nitrocellulose, ester, oil and pigment)	P.
Fare cream (not containing glycerine)	N.P.
Festoons, spring, blocks, for shoe lasts	P.
Feltaper	N.P.
Felt for paper making machines	P.
Felt boots	P.
Felt socks	P.
Felt ground	P.
Felt, "Valta Urit," used in the manufacturing of boots and shoes	P.
Ferromanganese (an alloy of iron and manganese, and is the man- ufacture of steel)	N.P.
Ferrules—in-for banding brushes	P.
Fiber and cotton, patent tube packing Fibres, horse, manufactured from fax (See horn fibre)	P.
Fibre clip	P.
Filing cabinets, accessories for	P.
Filing cabinets, steel	P.
Filica, cinematograph and photom- phic	G.L.
Fire clay goods	P.
Fire engines, chemical	N.P.
Fire escape, automatic	N.P.
Fire extinguishers, chemical	N.P.
Fishing net cases. (See cotton sacco- factures)	
Fish oil, containing glycerine	N.P.
Fish oil, not containing glycerine	P.
Flashlight pencil (pencil holder and flash lamp combined)	N.P.
Floating boards, planed and prepared, tongued and grooved (of non- permitted woods)	G.L.
Flour sifters	P.
Flowers, artificial (if made wholly or mainly of cotton)	P.
Flowers, natural, dried and dyed	N.P.
Fishing machine (used for the crimp- ing or fluting of cloth)	P.
Fly traps and killers	P.
Fog horns, Norwegian, machine	G.L.
Food, aluminium	P.
Food choppers	P.
Forging for bicycles	P.
Fork separators, electric (for use in connection with electric train light- ing)	N.P.
Forks, garden, without handles	P.
Forks, garden, with handles	G.L.
Fontaine pen clips	P.
Fontaine pens	N.P.
Formen, bag and pouch	P.
Formen, metal, for ladies' hand bags	P.
Formen, metal, loose-fitted (for pa- tent ladger)	N.P.

HARDWARE LIST.

Hardware is taken to include all articles of base metal which are not:—

- (1) Materials used for constructional purposes such as plates, bars, angles, rods, etc. which are not sold in the retail trade.
- (2) Articles highly manufactured of a special character, such as complex machines, scientific instruments, etc.

The following articles, which will be found in their alphabetical order in the preceding list, are here grouped for convenience under the heading of Hardware.

- Addressograph machines, parts of, such as metal drawers, wooden stands with metal attachments and iron stands. (G.L.)
Advertising signs—complete with letters, figures and frames.
Agricultural implements and parts thereof. (G.L.)
"Alaska" handles for boiler doors.
Apple peelers. (Household appliances.)
Apple paring and coring machines.
Avis Hides. (G.L.)
Bolt bearings, steel. (G.L.)
Bolts, iron.
Bolt rods.
Bolt fabric. (See "Titanium" machines.)
Bolthead accessories, i.e.:—
Metal nut- and sponge holders.
Metal pins.
Metal washers.
Metal towel rails.
Metal tumbler holders, etc.
Boring machines. (See "Titanium" machines.)
Bourings, bell, steel. (G.L.)
Bells, electric (for telephones). (G.L.)
Bells, electric, for other purposes.
Bells, hand, car and door.
Belt couplings, steel.
Belt hooks (for use on belts of sewing machines).
Belt hooks, steel (for binding machinery).
Bicycle accessories, metal.
Bicycle fenders.
Bills and balen, steel, for waste paper.
Bit screw.
Black plate.
Blades for boring boring. (G.L.)
Block fasteners, spring for shoe lasts.
Blow lamps and parts thereof.
Bolt, in head (used for fastening wood buttons to waistcoat).
Bolt, security and dummy.
Bolt-headed screws or coach screws.
Bolts and nuts, brass. (G.L.)
Bolts and nuts, castings. (G.L.)
Bolt button fasteners.
Bolt protectors (made of wood and metal).
Bones, iron, iron, nickel-plated.
Bones hooks.
Bones harness, lamp. (G.L.)
Bones caps (for electric metal filament lamps).
Bones clamps, with steel screw and nut (for connecting rubber and canvas hose to couplings).
Bones (shells).
Bones hoops or buckles.
Bones rails.
Bones axle for axonoid barometers.
Bones oil containers or frames (used for ordinary oil lighting or heating lamps).
Bones oil pumps.
Bones component parts for electric lighting.
Bones screw parts for axial instruments.
Bones screw parts for use on telephones.
Bones screws. (G.L.)
Bones and copper shower roses.
Bones or copper bath showers.
Bones wire gauge. (G.L.)
Bread making machines.
Brick and slaters' trowels. (G.L.)
Bronze bushings.
Buckles, brass.
Buckles, metal, for ladies' belts.
Buckles for braces.
Bullet moulds. (G.L.)
Bull rings, copper.

NOTIFICATIONS

Port St. George, December 29, 1938.

No. 1000

In supersession of all rules previously prevailed, the Government in Council is pleased to sanction the following revised rules regulating the constitution and working of the Law College, Madras:—

RULES REGULATING THE CONSTITUTION AND WORKING OF THE MUMBAI LAW COLLEGE

Presenile.

The following rules relating to the constitution and working of the Madras Law College have been sanctioned by the Government.

Chlorine

1. The college which is affiliated to the Madras University in the Faculty of Law, is intended to afford instruction to students preparing for the B.L. and M.L. degree examinations, the High Court pleaders' examinations, the civil and criminal appeal bar examinations, and such other examinations in law as may hereafter be instituted.

Continued

2. Save as hereinafter provided the general management of the college shall rest in the Director of Public Instruction.

3. There shall be a Council for the college consisting of two or more Judges of the High Court, one of whom shall be the President, the Principal, the two professors, and such other persons as may be appointed by the Government. The Principal shall ex-officio be the secretary to the Council. The Council shall be consulted (1) on all matters regarding the general reorganisation of the college, substantial changes in the curriculum or the hours of work, and (2) in such other matters, including the nomination of members of the staff, as the Government or the Director of Public Instruction may desire.

4. (a) The Principal shall, at the end of each term, circulate a report to the members of the Council on the state of affairs of the college.

(b) There shall be an ordinary annual meeting of the Council in the month of March.

(c) The President may call special meetings of such times as he may deem fit or at any time on the requisition of any two members of the Council.

5. In the absence of the President the senior member present shall preside at such meetings. The President or presiding member shall have a vote on all questions placed before the meeting, and in the event of its votes being equally divided, he shall have a second or casting vote.

6. The minutes of the proceedings of all meetings of the Council shall be submitted to the Director.

7. The executive management of the college is vested in the Principal who shall be independent of the Council in all matters of discipline, but he shall not make any changes in the prescribed courses of instruction or the general management of the college without the sanction of the Director.

8. The members of the staff are subordinate to the Principal and all communications which they may wish to address to the Council or to the Director must be submitted through him.

Staff

9. The staff shall consist of a Principal, two professors and six assistant professors. The members of the staff will be appointed by the Government.

10. Special lecturers will, when necessary, be appointed by the Government to deliver special courses of lectures or to hold special tutorial classes in any of the subjects of instruction.

11. The Principal shall devote his whole time to the work of the college, and shall be relieved from pursuing his profession except in consulting or chamber practice. This restriction shall not however apply to an officiating principal. The professors and assistant professors shall be at liberty to practice.

12. The duties of the professors, assistant professors and special lecturers shall, from time to time, be determined by the Principal.

13. The distribution of work for each term shall be settled by the Principal in consultation with the professors and assistant professors and announced before the end of the preceding term.

Course of instruction.

14. The course of instruction for the B.L. classes shall be as laid down in the by-laws and regulations of the Madras University. They shall extend over two years divided into four terms, the terms being separated by the two vacations of the year. During the first two terms students shall be prepared for the first examination in law, and during the remaining two terms students who have passed the first examination shall be prepared for the B.L. degree examination. The course of instruction for the pleadership class shall embrace the subjects prescribed in the rules made by the High Court under the Legal Practitioners' Act and shall extend over one year of two consecutive terms. The course of instruction for the special class shall be fixed by the Director on the recommendation of the Principal.

Classes.

15. The college shall contain the following classes:—

(1) B.L. classes to consist of students preparing for the B.L. degree examination.

(2) Pleadership class to consist of students preparing for the pleadership examination conducted by the High Court.

(3) Special class to consist of all other students attending any course of instruction in the college.

Strength of classes.

16. There shall be as fixed limit to the number of students to be admitted into any class, admission being regulated with due regard to the accommodation and staff available for efficient instruction. But should it be considered necessary that a limit should be fixed as regards admission, selection shall be made in the order of the receipt of applications by the Principal.

Admission, dismission and withdrawal.

17. All applications for admission shall be in the form prescribed below and shall accordingly be submitted so as to reach the Principal not later than the 1st of July in the case of the B.L. and the pleadership classes. Students for the special classes should ordinarily join the college at the commencement of either the spring or the autumn term.

The entries below will be filed up by the College office.

Applicant received on	Applicant can be admitted
Clerk	Principal

18. The application for admission shall also be accompanied by the transfer certificate referred to in Regulation 285 of the University Regulations. In the case of an applicant who has been previously employed, the application shall also be accompanied by a certificate of good conduct from the head of the office where he was employed, and in the case of an applicant who has been at any time in Government service the register of such service shall also be produced if so required by the Principal. The Principal may refuse admission to any candidate whose previous conduct has not been satisfactory. His order shall be subject to appeal to the Director whose decision shall be final.

19. Any student who has obtained admission into the college by means of a false certificate or by false representations of any kind or who has been found guilty of gross misconduct shall be summarily dismissed, the fact of such dismissal and the reasons for it being at once reported to the Director.

Qualifications for admission

20. Candidates for admission to the B.A. classes must have passed the B.A. degree examination of the Madras University or some other examination accepted by the University or equivalent thesis, provided that candidates who have appeared for the B.A. degree examination may be admitted provisionally pending the publication of the results.

21. Candidates for admission to the pleadership class must have passed the B.A. degree examination of a British Indian University or such examination as one of the English, Irish or Scotch Universities may be declared by the High Court to render them eligible for admission to the pleadership examination.

22. Candidates for admission to the special classes shall possess such educational qualifications as the Principal may consider necessary to enable them to profit by the instruction given in the subjects selected by the candidates.

Fees.

23. Fees shall be levied as under:—

B.A. classes.—Rs. 100 for the first term and Rs. 75 for the second term in each year.

Pleadership class.—Rs. 50 per term.

Special class.—Rs. 12 for each subject, provided that the minimum fee shall be not less than Rs. 20 per term.

24. Fees shall be levied at half rates from Mohammedans, Untouchables, and the backward classes or castes specified in article 15 of the Government Code.

25. All fees shall be paid in advance.

26. No refund of fees shall be made except in the case of students admitted into the first year B.A. class who had appeared for the B.A. degree examination, and who, having failed in that examination, have withdrawn from the college.

27. If a student for sufficient reasons leaves the college during term, the Director may refund or remit such portion of the fee as he may consider equitable.

Scholarships.

28. Two scholarships of the value of Rs. 50-00 per term shall be awarded annually in the B.A. class on the results of the first examination, one to the student who passes highest in the examination, and the other to the student, other than a Mohammedan or Untouchable, who passes highest in the same examination. Provided that, if the Harwood scholarship is awarded to either of the students eligible for scholarships under this rule, the corresponding Government scholarship shall be awarded to the student who stands next highest in the examination. In cases in which students are bracketed equal, the Principal shall decide to whom the scholarship shall be awarded.

29. The scholarships shall be tenable for one year and shall be payable in the middle of each term.

30. A scholar shall be required to attend at least 75 per cent of the lectures delivered in the class to which he belongs during the tenure of his scholarship; he shall also be required to attend and to give all class examinations held during the year and to appear for the University examination at the close of the year.

31. The scholarships shall be awarded by the Principal. They are liable to be reduced or withdrawn, for misconduct, idleness or want of adequate progress.

Each scholarship holder shall place himself under the control of the Principal and of the professor directing his studies. (5) to pursue his studies continuously and diligently during the tenure of his scholarship, (6) to hold no appointment carrying a fixed salary or allowances, and (7) at the discretion of the Director to refund the amount of scholarship drawn for wilful breach of the above-mentioned conditions.

Hours of instruction.

32. The lectures and tutorial classes shall ordinarily be held between 10 a.m. and 5 p.m. The general scheme of study shall be arranged by the Principal in consultation with the Council, and subject to the control of the Director, in whom a copy of the timetable shall be submitted at least ten days before the beginning of the term. No material change shall be made in the timetable or in the general arrangement of college work except under the Director's authority.

33. Students are expected to attend such class examinations as may from time to time be prescribed by the Principal and failure to do so without good reason would entail forfeiture of the term certificate.

Vacations and holidays.

34. The college shall be closed for the Christmas and Christmas vacations for such periods as may be fixed by the Government.

35. The schoolmaster holidays allowed in rule 64, chapter VII, of the Educational rules shall apply to the college in so far as its special character would allow.

Certificates.

36. *M.L. and Plundering classes.*—Certificates of attendance, progress and conduct which constitutes for the first examination in law and the B.L. degree examination, or for the plundering examination, are required by the regulations to produce, shall be issued by the Principal to the students who have satisfied the prescribed conditions.

37. *Special classes.*—Students attending the special classes shall, at the end of their course, be granted a certificate specifying the subjects in which they received instruction.

Registers and accounts.

38. The following registers shall be kept—

- (i) Register of admissions and withdrawals for each class.
- (ii) Monthly register of attendance.
- (iii) Register of fees and fines for each class.
- (iv) Acquittance roll and pay abstract.
- (v) Library catalogue and register.

- (viii) Inventory of valuable stock.
- (ix) Timetable for each term to be approved by the Director half-yearly.
- (x) Register of stationary and printed forms.
- (xi) Day book showing the daily transactions relating to receipts and charges.

Miscellaneous.

39. The provisions of the Educational rules relating to accommodations and sanitation, recreation, games, discipline and dress, shall apply to the college, in so far as its special character permits of their application.

40. The Principal shall obtain the previous sanction of the Director for any deviation from the prescribed rules.

41. These rules, with such alterations as may have been sanctioned during the preceding twelve months, shall be published every year by the Principal in the first issue of the *Port St. George Gazette* in June.

Port St. George, January 3, 1917.

N.B.—Should the number of candidates who have applied to be examined at any one of the above centres fall short of thirty, the examination shall be held at that centre only, or at such other centre as may be decided by the Director of Public Instruction, Madras, or at such other centre as may be decided by the Director of Public Instruction, Madras, or at such other centre as may be decided by the Director of Public Instruction, Madras.

3. No notice will be taken of the application of any candidate who submits a notice which is not in the prescribed form, and no candidate will be allowed to sit in more than one centre. No candidate will be allowed to change the place of his examination without the sanction of the Director of Public Instruction, Madras, or at such other centre as may be decided by the Director of Public Instruction, Madras, or at such other centre as may be decided by the Director of Public Instruction, Madras.

4. It is desirable that the examination be held at the same place as the examination in the other subjects. Applications for the location of each place or places in the list of centres should be made to the Director of Public Instruction, Madras, or at such other centre as may be decided by the Director of Public Instruction, Madras, or at such other centre as may be decided by the Director of Public Instruction, Madras.

5. The oral and practical examinations in each subject require them to be held at the same place only where satisfactory arrangements can be made for the conduct of such examinations.

N.B.—In cases of special arrangements in the case of each of the three and practical examinations may be held before the Written examination, candidates are recommended to refer to Part I.B. of the Fort St. George Gazette, from time to time.

6. Candidates whose examinations, either written or oral and practical, cannot be arranged for at any place named, at their own expense, proceed to Madras or to the nearest centre where they are held in the subjects in which they appear.

7. Heads of Institutions are requested to see, before the certificate at the foot of the application is signed by them, that their institution has been recognized by the Director of Public Instruction, Madras, or at such other centre as may be decided by the Director of Public Instruction, Madras, or at such other centre as may be decided by the Director of Public Instruction, Madras.

N.B.—Heads of Institutions recommended for General Examinations only should not sign the certificate at the foot of the application from 1916 to 1917 by any of their pupils excepting for any of the Technical Examinations.

8. All papers coming up from the examinations must be sent to the same centre, and the applications of all of them should be forwarded together (along with a covering letter stating the number of applications) by the head of that institution, or applications of any private candidates being enclosed with those applications.

9. Each candidate must, whenever the syllabus requires it, submit, before the first day, the necessary drawings, plans, surveys, field books, estimates, or other "certified" works. Each of the drawings, etc., submitted must have entered on it the name of the candidate, the subject and grade of examination for which he appears, and the centre at which he appears, and must be certified to be his own unaided work by the head of the institution or other to whom he is bound, by an officer of the Public Works Department not below the rank of Supervisor, by a District Board Engineer, by the Engineer-in-Charge of the Corporation of Madras, or by an Engineer of any Railway Company.

Candidates are notified that no certified works will be received by examiners unless the certificate of authority is in such case quite satisfactory and specifies clearly the period of time occupied in the execution of such work and unless the student is satisfied, in the identity and

qualification of the person presenting the certificate. Further, if any candidate attaches to any certified work submitted by pupils from Technical Schools, the Commissioner will be compelled to recommend to the Director of Public Instruction the withdrawal of the departmental privileges enjoyed by the schools. Private certificates, whose certified pupils are in any way assisted by the commission, will be liable to have their names among invalided and also to be returned from appearing for any of the examinations under the control of the Commissioner for each year, at years at the Commissioner may think fit.

It must be particularly noted that the drawings, etc., of each candidate should be submitted in a separate roll for each subject and for each grade (e.g. the drawings, etc., for a number of subjects should not be rolled up together), and that the drawings, etc., of a number of candidates should not be sent in one and the same roll. Also, on the outside of each roll for each subject, each candidate should state the following particulars in full:—

- | | |
|---------------------------|--|
| (1) Name of candidate, | (4) Grade, and |
| (2) Place of examination, | (5) Total number of drawings in each roll. |
| (3) Subject, | |

As the application has to be kept in the office and in the drawings, etc., have to be forwarded to the examiner, the application itself should be sent in a separate cover and not rolled up with the drawings, etc.

A candidate who failed, or having applied, did not appear, at a previous examination, must submit fresh drawings, etc. The drawings, etc., submitted will be on no account be returned.

10. Candidates must send in their applications made out in English on printed forms so that they reach the Commissioner's office on or before the 1st January after which date no applications will be received. Only one form of application should be sent up each candidate, although he may bring up several subjects and make up for different grades.

11. Candidates in the mainland should obtain the required application forms from the Treasury at the place in which they are resident or at the District to which they belong. Candidates in Mysore, Hyderabad, Coimbatore and Cochin Districts should obtain the same from the Honorable the Resident's Treasury. Candidates who are residents of Madras should apply for application forms at the Office of the Commissioner for Government Examinations, Old College, Nagambakkam, and not to the Collector of Madras.

A fee of Rs. 20 will be taken of any application from candidates in the mainland requesting to be supplied with application forms from this office.

12. The following is the scale of fees to be paid by candidates for admission to the examinations:—

	Elementary.	Intermediate.	Advanced.
	Rs.	Rs.	Rs.
For each subject	5	5	10

N.B.—No candidate will be permitted to make up for examination in more than one grade in the same subject at the same time.

13. The prescribed fee must be paid in every case into a Government Treasury, or, if at Madras, into the Bank of Madras, and the receipt given by the Treasury Officer or the Bank of Madras attached to the application, which must in every case reach the Commissioner's office on or before the 1st January. On or about mid the fee is received at the Commissioner's office whether sent in cash or by Post Office order. No application will be registered unless it reaches the Commissioner's office by the date prescribed.

Receipt.—At Madras, in the case of all pupils, the fee should be collected by the headmaster and sent in a lump sum to the Bank of Madras together with the list of the pupils, one of which will be sent out by the Bank and the other retained and retained in the headmaster's office. The latter should be forwarded to the office along with the application of the candidates. The necessary forms for the purpose will be supplied by the office to the headmaster in application.

14. Each application should be sent direct to the undersigned, post paid, as prescribed and addressed as follows, the receipt for the fee paid being securely fastened to it.

15. Candidates are warned that the application itself should not be enclosed with any drawings, plans, surveys, field books, estimates, or other "certified works" that may be sent, nor should be submitted in a separate cover.

[Application for admission to the Government Technical Examinations.]

To

The Secretary to the Commissioner for Government Examinations,

Nagambakkam, Madras, S.W.

N.B.—Candidates anxious to ensure that their applications have been received should enclose an addressed post card in their respective applications. The post card should bear the candidate's address only, and no other writing. Such post cards will be returned to them in due course with the "received" stamp of the office impressed upon them. No other form of acknowledgment receipt that required by the postal rules regarding registered correspondence can possibly be given, nor will any return be taken of any letter from any candidate inquiring whether his application has been received. Indemnity stamps cannot be returned.

16. Candidates should write their names, their father's names, and their home address distinctly and so far as their applications and give their address in full also; if it is "Old Madras" they should

state in column 3 of their applications whether they are "Non-Exhibition Costs Student," or "Pensioner."
 Applications defective in any particular will be returned.

Notes.—The acceptance or refusal of candidates, or the appointments held by them, should immediately be stated—in full—in column 10 of their applications.

10. The fee paid will, in no case, be returned, nor will it be returned for a subsequent examination. Further, and any amount for that may have been tendered will be returned. Candidates are warned to study the regulations carefully and submit themselves, before sending their fees, that they fulfil the prescribed conditions of admission to the examination and that they, out of necessity, present, at the same time, beyond the faculty of the examination centre selected by them, for the purpose of registering the names, or the end, and practical examinations.

11. Candidates for the Intermediate or Advanced examinations whose names have already been published in the Gazette as having passed a particular stage or stages in subjects in which the examinations are divided into stages, or as having passed the intermediate (last Preliminary), where the examination is of two grades—Intermediate and Advanced—must in their applications state the date and page of the Gazette in which their names appear and their number in the list of successful candidates.

AUCTION SALE.

THE undersigned, Fisheries in the Tank Reclamation Scheme Division, VII Circle, will be sold in public auction by the department on the dates and places noted against each:—

Conditions of sale.

Every person intending to bid must deposit a sum not less than Rs. 5 and not more than Rs. 20 as may be fixed at the time of sale.

2. Each lot will be knocked down to the highest bidder, subject to the approval of the Executive Engineer, Tank Reclamation Scheme Division.

3. As soon as any lot is knocked down, the successful bidder should pay the amount of the sale money as noted below:—

(a) When the amount of the sale is less than Rs. 50, it must be paid at once.

(b) When the amount is more than Rs. 50 and less than Rs. 100, half the amount should be paid at once.

(c) When the amount is more than Rs. 100, one-third of the amount should be paid at once.

4. If the amounts are not paid as per condition 3, the lot will again be sold; the previous bidder will, besides forfeiting his deposit, be liable for any loss the Government may sustain by such resale.

5. The balance of the amount as per condition 3 (b) must be paid within one month from the date of sale, failing which interest will be charged at the rate of 5 annas per day. If the amount is not paid within 10 days, the lot will be put up for sale again; the previous bidder will lose the amount he has already paid.

6. The balance of the amount as per condition 3 (c) must be paid in two instalments, the first instalment being paid within one month of the date of sale and the second within two months. If the amounts are not paid within the time fixed, interest will be charged at the rate of 5 annas a day. If the whole amount is not paid within 75 days of sale, the lot will be resold and the previous bidder will lose all the amounts paid by him.

7. The deposits of unsuccessful bidders will be returned at the close of the sale.

The Standard Barometer and Thermometers are read at 4 a.m., 10 a.m., 4 p.m., and 8 p.m., and the daily means are obtained by the application of hourly corrections, deduced from twenty years' observations. The return of the Barometer is twenty-five feet above the level of the sea, and the reading of the Rain Gauge is two feet from the ground. The wind, rain and general weather registered are for the current Civil Day—from midnight to midnight.

The total quantity of rain collected since January 1st is 40.1, the average due for the same period being 4.49 inch.
